11. Lost Property

11.1 Application of byelaws

These byelaws shall apply in relation to the safe custody, re-delivery and disposal of any property or thing which while not in proper custody, is found on any part of the Airport to which the public or passengers have access or in any Vehicle owned or operated by or on behalf of the Airport Company excluding any property or thing found on board an Aircraft, in a Taxi or on premises let by the Airport Company.

11.2 Person who finds property

Subject to the provisions of the Customs and Excise Acts, any person (other than a member of staff of the Airport or an Airport Official or a Constable) who finds property which they believe to be lost or abandoned shall as soon as reasonably practicable notify a member of Airport staff, an Airport Official or a Constable and inform that person of the place and circumstances in which it was found.

11.3 Property to be delivered to lost property office

- (a) Subject to any provisions of the Customs and Excise Acts, and paragraph (b) below any member of Airport staff or an Airport Official or Constable to whom found property is notified pursuant to byelaw 11.2 hereof or who himself finds any property to which these byelaws apply shall, as soon as reasonably practicable and in any case before leaving the Airport, (but subject always to any applicable security check requirements), deliver such property for safe custody in the state in which it comes into his possession to the Lost Property Office and inform a member of staff of the Airport or an Airport Official at the Lost Property Office of the circumstances in which it was found.
- (b) If before any lost property shall have been delivered for safe custody to the Lost Property Office under this byelaw, it is claimed by a person who satisfies the member of Airport staff or Airport Official or Constable, as the case may be, that he is the true owner, it shall be returned to that person, forthwith, without fee, on giving his name and address to the member of Airport staff or Airport Official or Constable who shall, as soon as possible, report the facts and given the claimant's name and address and a description of the lost property to the Lost Property Office.

11.4 Records of lost property

Any other property delivered to the Lost Property Office shall be retained in safe custody by the Airport Company or an Airport Official until claimed by the true owner thereof or disposed of in accordance with these byelaws and the Airport Company or an Airport Official shall keep for a period of not less than 12 months a record showing particulars of the lost property (whether delivered to the Lost Property Office or disposed of pursuant to byelaw 11.6 hereof), the circumstances in which it was found and the ultimate disposal of the lost property provided that:-

- (a) Official documents, including licences, passports and aliens identity books shall wherever practicable be returned forthwith to the appropriate government department, local authority or other body or person responsible for issuing them or for controlling or dealing with them; and
- (b) Where the name and address of the true owner of any lost property other than the documents referred to in the preceding proviso, are readily ascertainable the Airport Company or an Airport Official shall forthwith notify him that the lost property is in their possession and may be claimed in accordance with these byelaws.

11.5 Claim of property

If any lost property, while it is retained by the Airport Company in safe custody, is claimed and the claimant proves to the satisfaction of the Airport Company or an Airport Official that he is the true owner and gives his name and address to a member of staff of the Lost Property Office or an Airport Official, it shall thereupon be delivered to the claimant at the Lost Property Office upon payment of such charges as the Airport Company may from time to time fix for the return of any lost property delivered to the Lost Property Office.

11.6 Disposal of property

- (a) If any lost property retained by the Airport Company or an Airport Official for safe custody in accordance with these byelaws is not, within three months of the date when it was delivered to the Lost Property Office, re-delivered to a person pursuant to byelaw 11.5 hereof, the Airport Company or an Airport Official shall be entitled to sell it for the best price that can reasonably be obtained or, in the case of items of negligible value, to dispose of it as they think fit.
- (b) Notwithstanding the foregoing provisions of these byelaws, if any lost property retained by the Airport Company or an Airport Official pursuant to these byelaws is of a perishable nature and if, within 48 hours from the time when it was found, it has not been re-delivered to a person pursuant to byelaw 11.5 hereof, the Airport Company or an Airport Official shall be entitled to sell it at the best price that can reasonably be obtained.
- (c) Notwithstanding the foregoing provision of these byelaws any lost property which is or which becomes objectionable may forthwith be destroyed or otherwise disposed of in a reasonable manner.
- (d) A sale under this byelaw shall not prejudice the right, for a period of 12 months from the date on which the property came into the custody of the Airport Company or an Airport Official, of any true owner whose rights have been divested by the sale to be paid the proportion due to him of the residue of the proceeds of sale after deduction of any charge by the Airport Company or an Airport Official for the safe custody of the lost property and the Airport Company or an Airport Official's reasonable costs.

11.7 Power to open packages etc

Where any lost property is contained in a package, bag or other receptacle, a Constable or an Airport Official may cause such receptacle to be opened and the contents examined, or require the claimant to open it and submit it and its contents for examination, for the purpose of:-

- (a) Identifying and tracing the owner of the lost property;
- (b) Ascertaining the nature of the contents; or
- (c) Satisfying the Airport Company or an Airport Official that the contents do not include any item or items which may put at risk the safety or security of the Airport, any Aircraft or any air navigation installation;
