

WINTER SELF-HELP LOCATIONS

2023-2024

TERMINALS AT A GLANCE

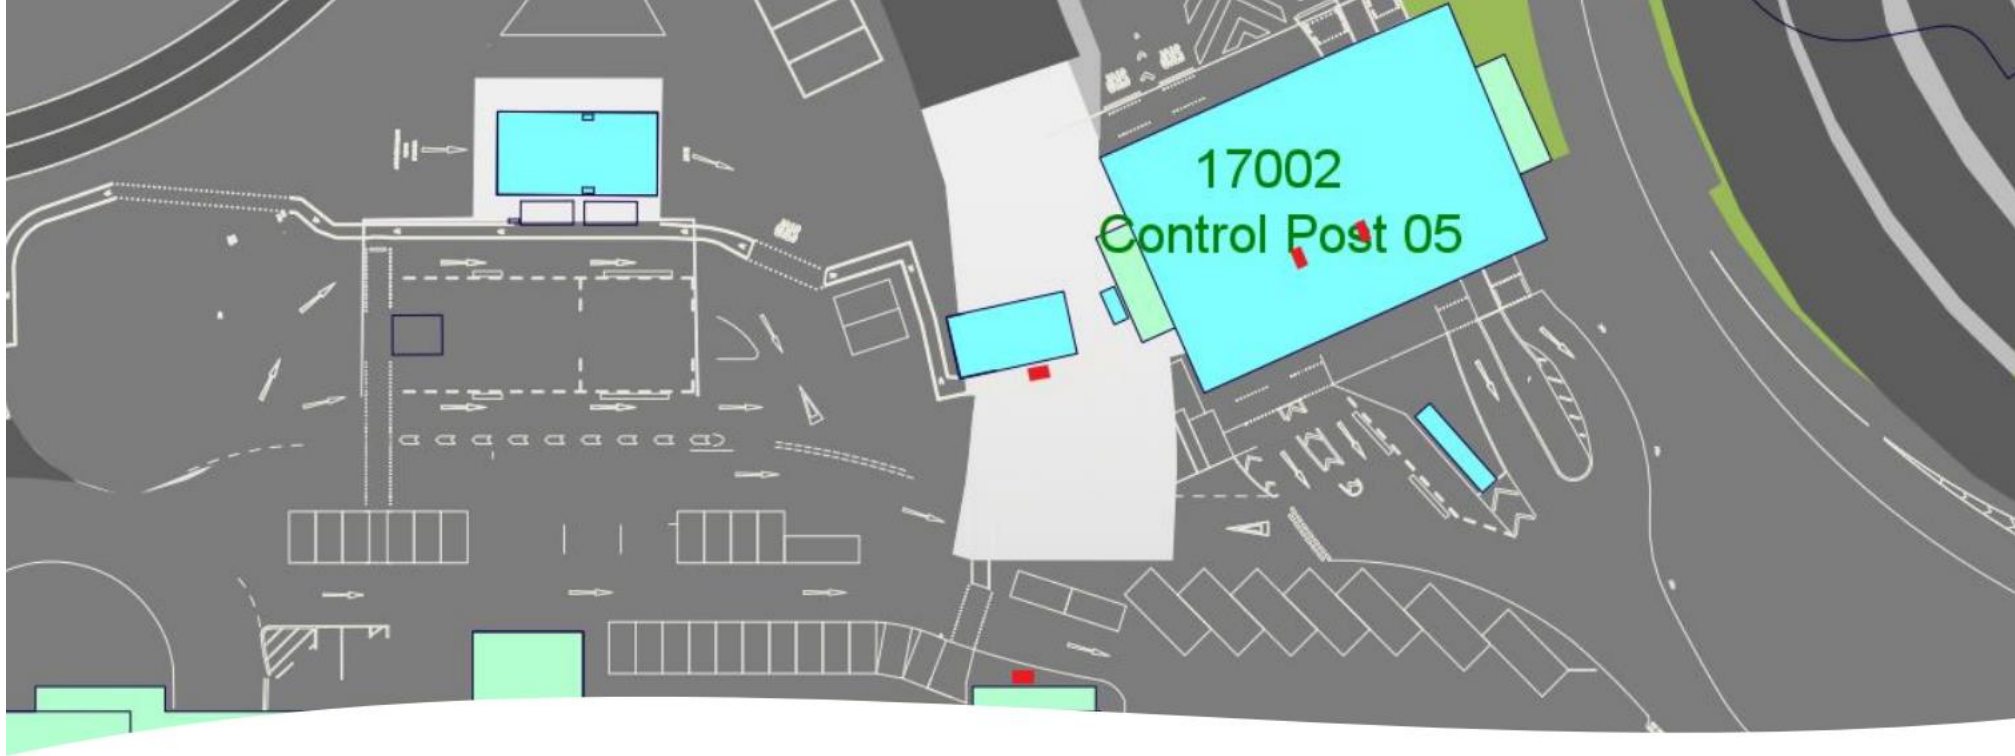

KEY

- HOSMU
- Prill
- Salt

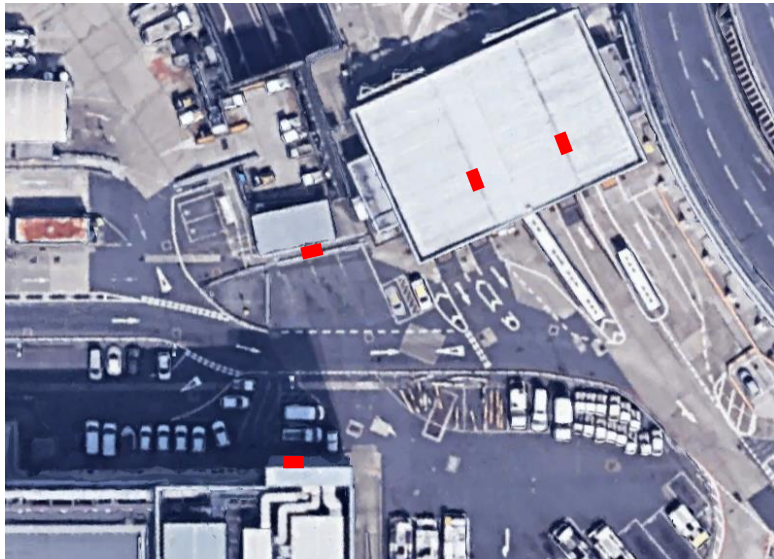

TERMINAL SELF-HELP LOCATIONS

- The self-help locations in the terminals have either a HOSMU, a yellow bin containing bags of Prill, or a blue bin containing rock salt.
- At least every other stand has a form of self-help media on it.
- Rock salt is only positioned in areas where there is a high volume of pedestrian traffic.

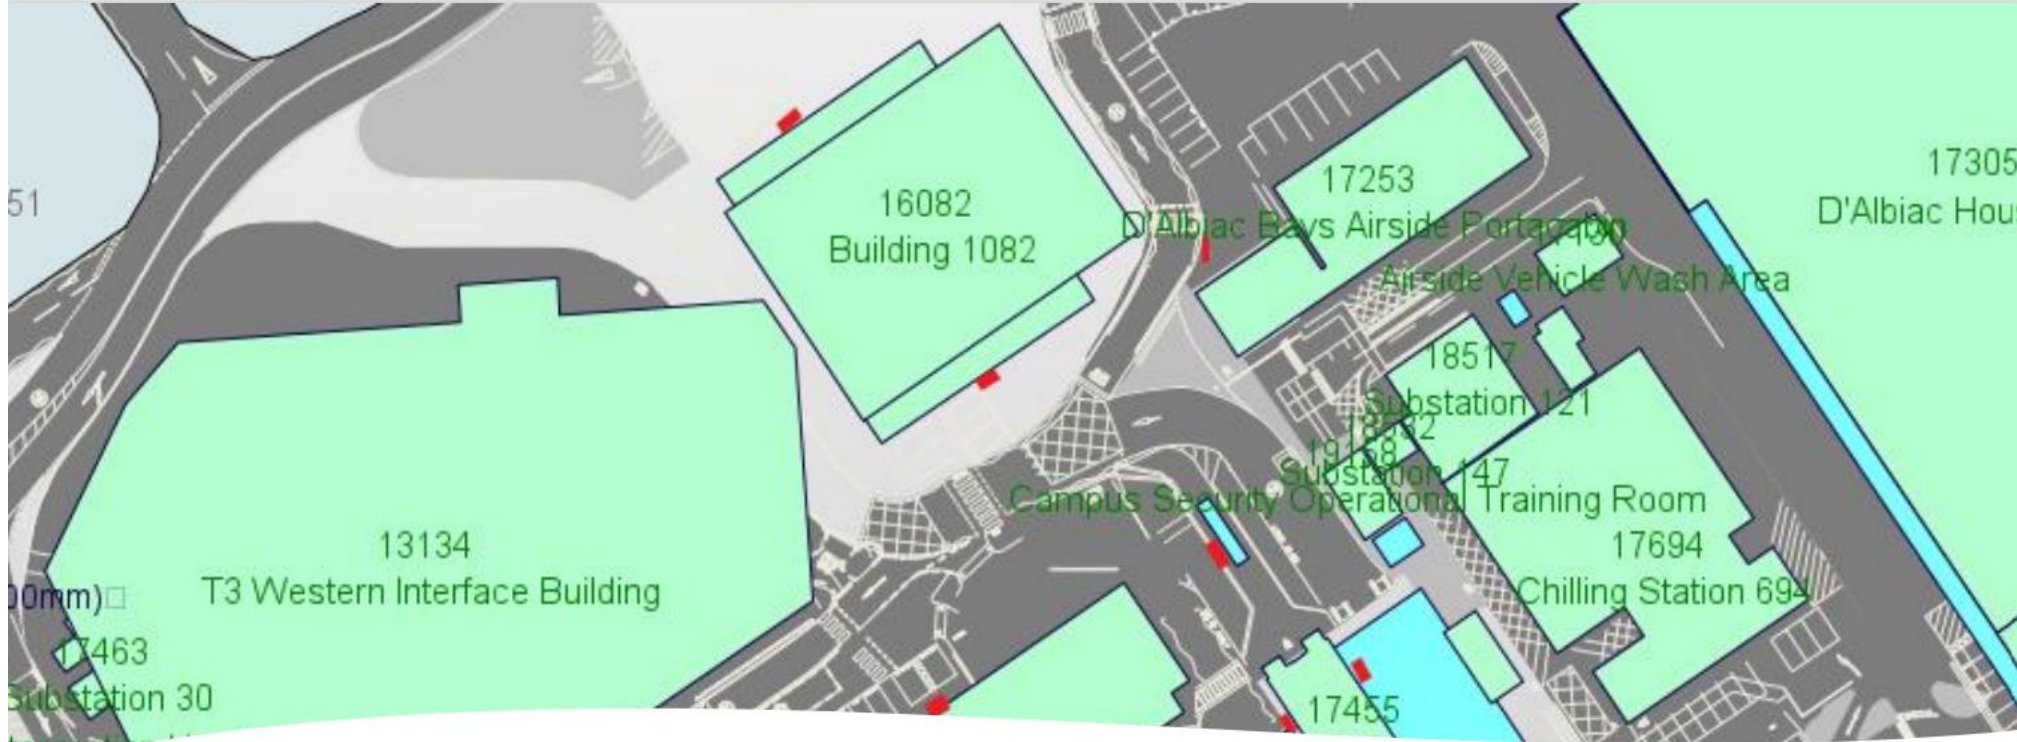

CONTROL POST 5

- Two salt bins are held within the Control Post, either side of the building.
- One salt bin is located at the exit turnstile.
- One salt bin is located adjacent to the terminal building, outside the GH offices and next to the safe walking route.
